## Common Questions

### Q: What is a Print Credit?

A: A **print credit**, is dollars off the print package of your choice, provided you order within 14 days of the session. After 14 days, print credits are cut in half. Also, they are not valid on Essentials or Elements packages.

### Q: Can extra proofs be added to the website?

A: All proofs are unretouched and additional ones can be added for \$3 each, and you can purchase from any photos not just the ones on the website.

### Q: What if rain keeps us from the outdoor session portion?

A: We can still photograph the indoor portion and have you return another day for the outdoor portion, or you can reschedule entirely. Outdoors can also be added later even if you hadn't planned for it on the day of your session.

### Q: Does the studio have the cap & gown?

A: Yes, we have the cap & gown for our contracted schools, as well as many colors from other schools.

### Q: Is there somewhere to change clothing in the studio?

A: Yes, there are two changing rooms to change clothes. Keep in mind that session time slots include changing, so us your time wisely!

## Helpful Tips

Choose your clothing carefully:

We recommend that you bring garments with **solid colors, and dark, long sleeves** for a slimming effect.

The goal for your make-up is a clean and natural look. Please feel free to bring your make-up and hair products to your session. While a suntan, natural or artificial, may appear pleasant to the eye, tan lines will appear more pronounced and the skin tone may photograph uneven and off-color. **We suggest foregoing the tan.**

Please arrive a couple of minutes early:

Relax, and be prepared to start your photo session at your scheduled appointment time.

### Bring props:

We can provide standard photographic props, but for a more personal statement bring your musical instruments, sports equipment, a hobby, or even a stuffed animal.

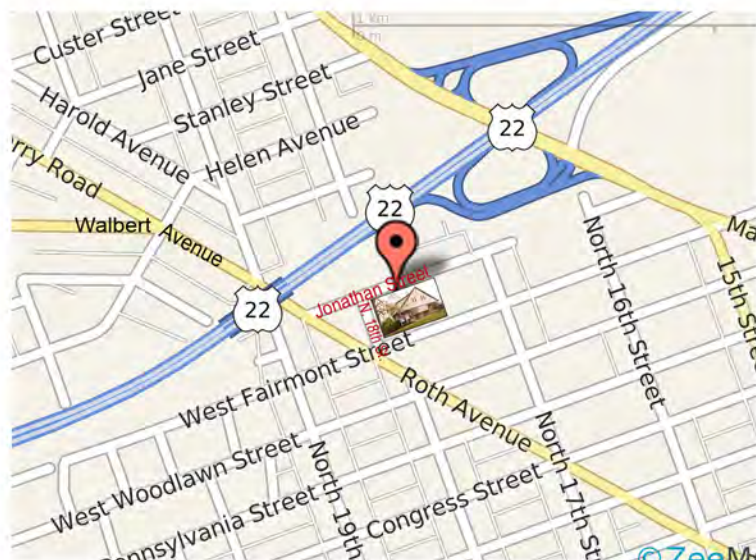

### Viewing your photos:

After your session, you will view your unretouched image files in our studio. At this time you can identify any concerns and retakes can be done if necessary. Your unretouched pre-views will be online on our website on the same day.
